

## Debt Recovery

We offer a fixed fee initial advice meeting (approx. 1 hour) currently priced at £228 including VAT and ID check fee for contentious matters, including debt recovery, where appropriate.

All further work would be charged at our standard hourly rates, which are currently £195-£215+VAT depending on the seniority of the solicitor working on your case.

We will endeavour to give you clear fee estimates for each stage of work in advance, and may be able to offer fixed fees for discrete pieces of work depending on the nature of your case.
